

That Wicked, Revealed

Written by Robert Dickinson

Dear brothers and sisters,

During our Lord's supper service, it was brought to our minds that we had recently understood that the coming of nuclear world war (WW3) should be only a rumor, according to the sequence outlined by our Lord.

*And Jesus answered and said unto them, Take heed that no man deceive you. For many shall come in my name, saying, I am Christ; and shall deceive many. **And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet.** (Matthew 24:4-6)*

Notice that this warning to be careful of the deception is also connected to the fire that was brought from heaven by the second beast of Revelation 13.

*And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, **And deceiveth them that dwell on the earth** by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live. (Revelation 13:13-14)*

The great fire from heaven that has been used by the second beast to keep the world in order was the nuclear bombs that were dropped on Hiroshima and Nagasaki. Like the fire from heaven that destroyed Sodom and Gomorrah, the beast annihilated entire cities through those miracles, and with that absolute power, this beast (the United States of America) has dominated the world ever since.

But the use of this threat is called a deception, and Jesus Himself warns not to be deceived by these miracles. In other words, the propaganda that is pouring out of the media and leaping from the tongues of the three frogs to scare the world into believing that a nuclear holocaust is imminent **is a deception**. It is part of the "act" that is being played by the "clowns" on the world stage.

In a recent dream explained in a previous post, an “actor” was seen while Brother Aquiles was leaving an area, which was deciphered as a reference to Aquarius, who is played by an actor in the film “Aguaman”. This has a deeper meaning. Pictures of a different trident-bearing dark-haired man were all over social media in recent days:

Zelensky’s extremely casual attire during his address to the venerable U.S. Congress was especially noted and shamed by the media **to draw attention to what he was wearing**. On his shirt was the symbol of the Maltese cross and a trident. Putin called it a “Nazi” symbol to distract from its real meaning: it is Satan (as Neptune or Aquarius) on the threefold (trident) throne!

This symbol was deciphered in [The Year of Saul](#) , which explained the meaning of the following signet (trident highlighted in red):

That article explains the satanic plan to enslave the world under the false Christ, and Zelensky’s [plea to Biden](#) to be “the leader of the world” and the “leader of peace” was thus the call to set up the false Christ.

We also saw in the past through the “Rapid Trident” exercise that Ukraine has been prepared for its role as the stage on which the dramatic “rumor” of WW3 would be acted out, in order to secure “peace and security”. We had the fearmongering of the coronavirus in the second woe to muzzle the mouths of the people and condition them not to speak or have an opinion. Now, as the third woe is beginning, we have the fearmongering of WW3 to scare the people into giving up all their rights to a new “leader of the world.”

Joe Biden (the other clownish actor) is not the false Christ to offer this supposed peace and security, however. His role is to function as the executive branch. We have long since known who the false Christ is, and we have a whole [article series](#) about him. But the fact that Zelensky called for Biden to be the leader of the world is part of the act, in as much as the United States is one of the three parts of the NWO. Of course, there are too many countries in the world who hate the United States and would

never submit to such a New World Order in which the United States were the absolute leader of the world. This has been the *de facto* order since WW2, and it is the order that is now to give way to the “NEW” world order in which even the United States finally bows to a higher authority.

Putin, for his part, has been preparing the way for the new leader of the world. Remember, his name means “the way”; he is preparing the way by stoking the world’s fear of nuclear war, and thus prepare the world to accept such a leader “of peace”.

This past Wednesday, Pope Francis [spoke in his General Audience](#) to announce his candidacy for the position of leader of the world, and thus leader of peace. “Leader of Peace” is another way of saying the title of Jesus Christ, who is the only true “Prince of Peace”. But in the pope’s second speech starting at [minute 1:01:36](#), he makes it clear that he wants this position.

Please do watch the video, but to paraphrase, he starts his speech by misrepresenting God, and then glorifying Noah as the one who, **because of age**, had the wisdom to save the world. Satan (that old serpent) offers himself as the old and wise one and applies the role of Noah to himself. He preaches about how the older people can help with peace today and asks “What sense does my old age have?” except as a “wise” man...who is qualified by age to be the leader of the world to bring about peace and security.

This speech is categorized as a catechesis, which is normally a type of instruction used to prepare someone for baptism or confirmation. In this sense, the pope’s speech is meant in relation to the inauguration of the new era under his leadership. Furthermore, catechesis is instruction given by an elder, and thus his speech was to admonish the younger generation who views the older leaders (like Joe Biden) as senile and incapable. He spoke at length about the topic of corruption and the fact that “old men” (referring to himself and also Joe Biden) are against the rich and corrupt “oligarchs”, saying they are the ones to look to for wisdom, counsel, and orders, as “prophets” (like Noah who could save mankind from extinction). It makes sense why the United States is thus symbolized by the “false prophet” in prophecy: the old man Biden is now labeled as a prophet by the pope.

By comparing these two old men to Noah, his speech says that he and Biden would be the ones to prepare the only “ark” of peace and security, with the order and rules determined by the wise old men—all who don’t enter their ark must die in the flood.

Of course, their peace will come at a cost. There will be total control of the monetary system and your wallet through CBDCs (and bitcoin outlawed). There will be more surveillance, and more control. For that, a new unit of the US Justice Department has already been formed to focus on domestic terrorism ([watch Lisa Haven on the topic](#)). Such things as “online forums” and sites that express “opposition to COVID measures” or “conspiracy theories” are among those that are automatically suspected of terrorism. This will almost certainly lead to the shutdown of our websites soon.

Ascending to the Stars

We received a dream from Sister Miriam on the day of our Lord's Supper, which relates to it as well as to other events that have made headlines this week. An edited version of the dream to include clarifications received later is as follows:

The Physics Exam

Dream of Miriam

March 17, 2022

Last night I dreamed of a large university establishment. In a classroom there were many, many male and female students sitting in chairs. Suddenly the professor came in—a tall man, white skin color, light hair, wearing a suit, whom I recognized as my godfather who is a civil engineer (my mother's brother).

He said that tonight they would all have an exam in physics, I think. I'm a little worried because I don't understand that subject very much.

There is another professor of the same university, not in the classroom and not our professor, who, despite having the knowledge to teach, is a selfish woman. She is mocking and keeps her knowledge to herself.

My godfather will wait for me for a few days, in case I didn't learn something, so I don't worry, even though I know that tonight is the exam for everyone!

The classroom was a square. Next to it was another square classroom. That other adjacent classroom was empty. Outside of the two classrooms I could see that it was like a long hallway and we who were inside that classroom, men and women who were many, had to take the exam tonight to move to the adjacent classroom. It's a white classroom.

When I was praying, now awake, I see Stellarium and that God is changing places, changing classrooms.

It is self-evident that every Lord's Supper is a time of self-examination. As the last one before the crossing, it is therefore also a final exam. The exam was about physics, which we easily recognized as having to do with our study of the cross as explained in the prior three posts. Brother John explained in our forum the interpretation of the dream, which we initially thought was only indicating the need for our members to be able to plot the ephemerides that form the beams of the cross, in addition to using Stellarium for teaching reasons. To be unable to do these things shows an intrinsic disinterest in the things that this ministry has been teaching for the past 12 years, especially since 2017.

Sister Miriam's "godfather" is, of course, a symbol for our heavenly Father who oversees the exam in that "room" in which we were during our Lord's Supper, as indicated in the heavens by Mercury in the constellation of Aquarius. His eyes follow the stream of blood and water when Mercury is there, and each one of us is checked out by the eyes that see directly into the soul.

Miriam's godfather is a "civil engineer" who has to have a lot of knowledge of "physics". What a perfect picture of our Father in Heaven who is the "Creator" who once set up the laws of physics that govern the whole universe. It is He who gave the sun, the moon, the planets, and the stars their locations and

orbits. And it is He who took the comet into His hand to lead it to the middle point of the cross of His Son, swearing that there be “time no longer”. Time is a mysterious unit and dimension of physics!

The professor who was outside was a woman who refused to share her knowledge. She does not belong to our class of High Sabbath Adventists. There is only one church represented by a woman that could have had the knowledge of those heavenly things to which Ellen G. White had pointed in some of her visions: the Seventh-day Adventist Church. She refused to partake in the last great work and chose darkness instead of the light from heaven. She is selfish and believes that she is the only one who will be saved, and she keeps her knowledge to herself.

We have to pass the exam to reach to the other room, which can only mean a change of constellations. Mercury passes over the boundary on March 25, 2022, to the constellation of Pisces where the rapture point of the spring equinox is waiting on March 27. This is the short time of the open doors in that room. Sister Miriam also had the vision about “Wait 6 20”. The twentieth day of the sixth month, according to the southern hemisphere, is March 24. This is our last day in the room for the exam, where God the Father patiently waits for everyone of us.

But is the ability to draw the cross with Stellarium the only meaning of the test in this dream? It is indeed important to experience how difficult this finding really was, and how great a reward it was when Brother Stephan and Brother Gerhard stood at the crossing point in the midnight hour of March 8. Those who cannot do this, cannot appreciate the character of the Creator and the heavenly things. They would not enjoy heaven, where these things can be studied for all eternity! They would be bored to “death” there.

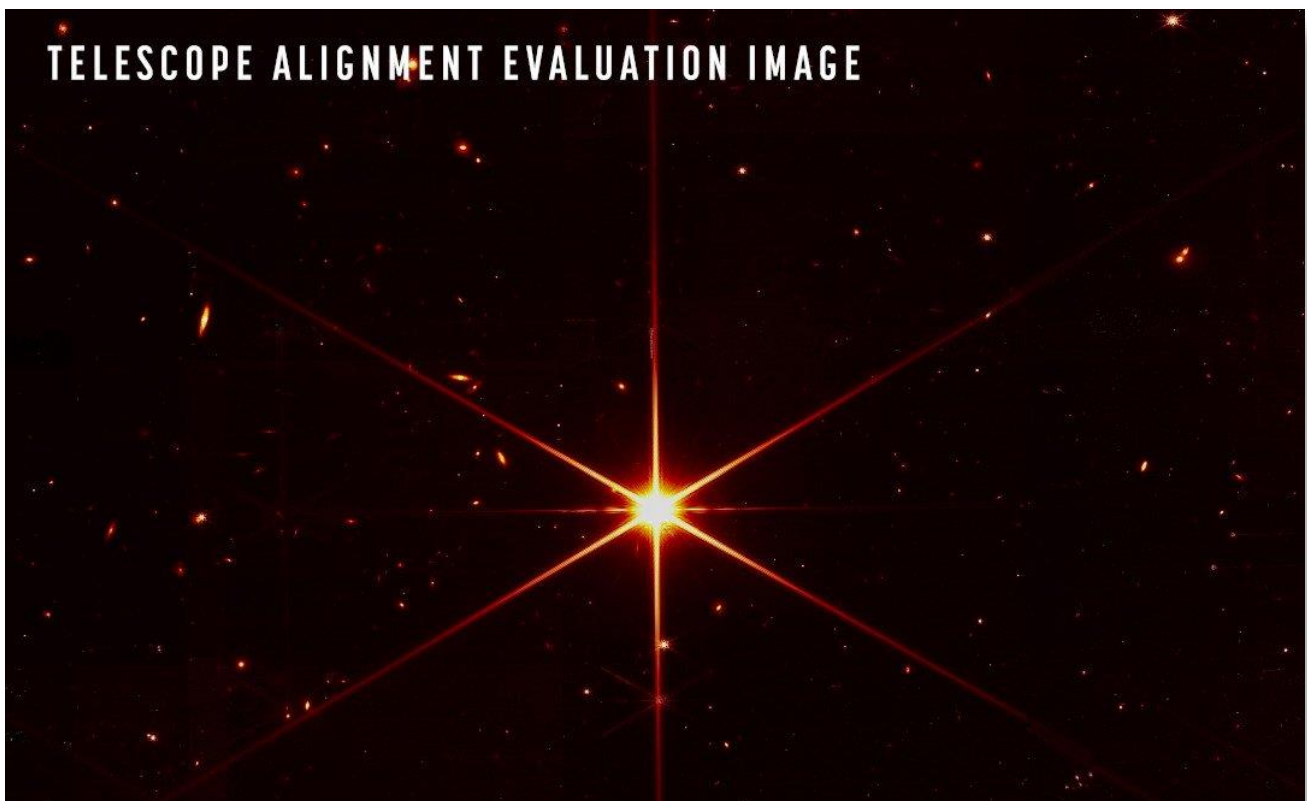

But like many prophetic symbols lately, the godfather in this dream has a double meaning. On the one hand, it can be God our Father, who gave us the Holy Spirit and watches over us if we pass the test. On the other hand, it can also be the papal “Holy Father”—speaking in a classroom with “many” people, who is also watching over his children to catch them in his deception.

A different (physics-related) piece of news reached the press on the same day as the pope’s general audience: [NASA’s Webb Reaches Alignment Milestone, Optics Working Successfully](#) .

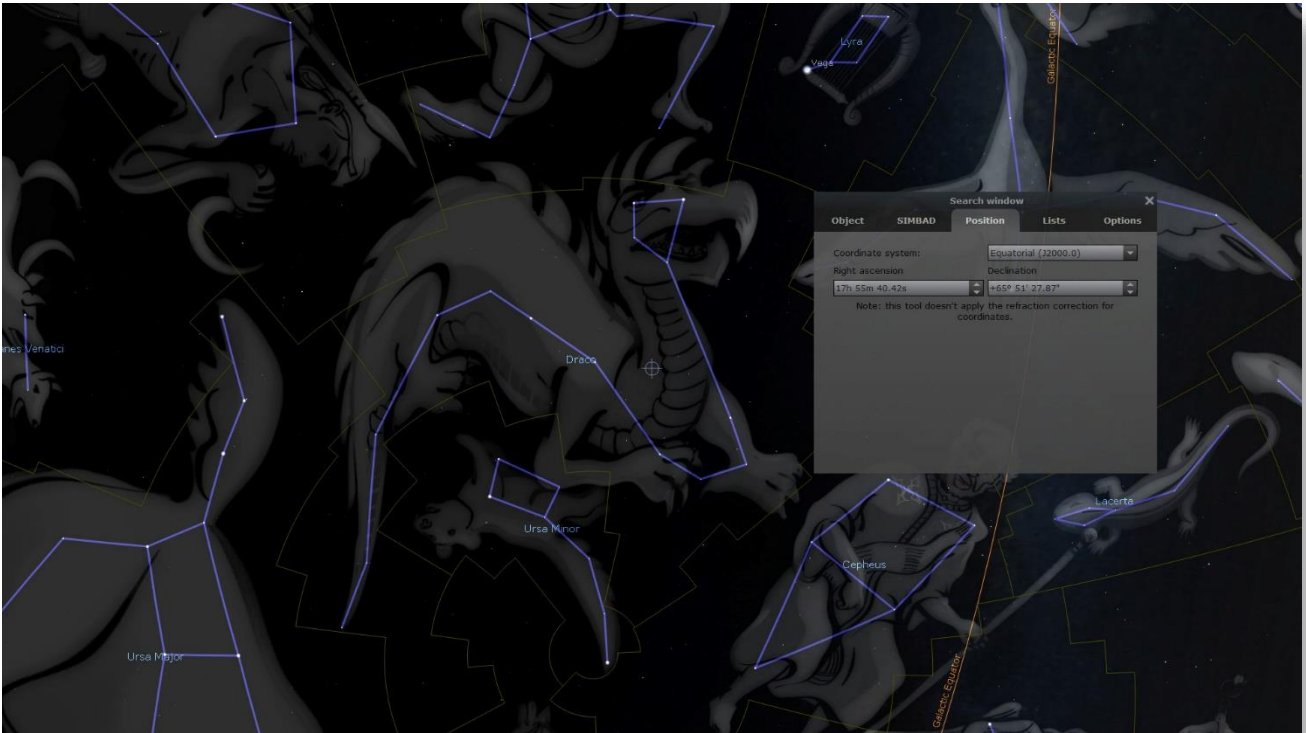

This is significant for several reasons. First of all, this telescope is a physics marvel in so many ways, and it is designed to study the stars. Astronomy is a branch of science based entirely on physics. Furthermore, this alignment milestone was in fact a “final test” (like the physics final exam of the dream) to verify that the telescope’s mirrors are properly aligned. To do this, the telescope has been pointed at an “alignment star” for a number of weeks. The first picture taken showed 18 images of the same star, because the mirrors were not yet aligned.

Then began the process of aligning all 18 (!) mirrors, each with 6 sides. Then the following final picture was taken to evaluate the results of the alignment of the 18 reflectors of the telescope.

Let's unpack this highly symbolic press release, shall we? First of all, the bright star in the alignment image is identified as 2MASS J17554042+6551277, which is more commonly known as TYC 4212-1079-1. A [search](#) tells us that it is located at a right ascension of 17h 55m 40.4225208336s and declination of +65° 51' 27.871899588". One can use the search-by-position function in Stellarium to find out where in the heavens this star is actually located (center marker):

It is in the HEART of the constellation of Draco, the dragon! Furthermore, it was captured with RED filters, making it the RED heart of the great red dragon, sitting on the celestial north pole.

For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, **in the sides of the north**: I will ascend above the heights of the clouds; I will be like the most High. Yet thou shalt be brought down to hell, to the sides of the pit. (Isaiah 14:13-15)

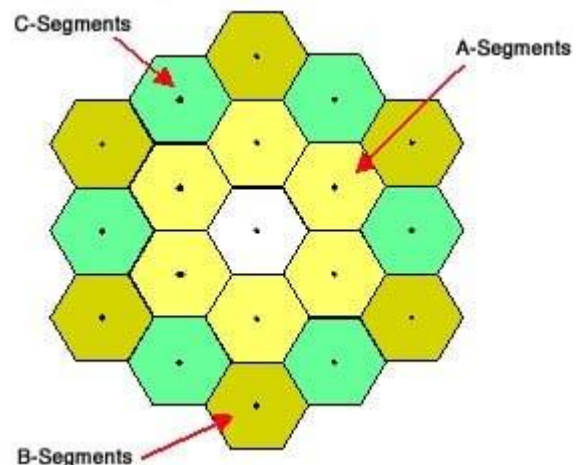

And he laid hold on **the dragon, that old serpent, which is the Devil, and Satan**, and bound him a thousand years, (Revelation 20:2)

As all the world marvels (wonders) at this amazing technological achievement, they are unwittingly worshiping the dragon and his blood(line) rather than that of Jesus Christ. It is the blood of the Antichrist that is pictured there!

Now you can easily infer why the telescope was designed with 18 mirrors, grouped into 3 sets of 6 with similar alignment parameters: $18 = 6 + 6 + 6$.

Furthermore, this telescope bears the name of a man: James Webb. This is highly suggestive of a verse in Revelation:

Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six. (Revelation 13:18)

Note that James Webb is no longer alive, so, obviously he is not the false Christ who is meant here. The “wisdom” from the stream of living water of our good “Godfather” in heaven has long ago enabled us to understand the number of the beast as the COVID-19 vaccine and the identity of the counterfeit false godfather as Pope Francis. Nevertheless, the uncanny similarity in the characteristics of the telescope and the star used to calibrate it are certainly sending a message.

James Webb was a former director of NASA who oversaw the Mercury and Gemini launches and was also involved in the Apollo program during the time of John F. Kennedy. With this new telescope that is named after him, scientists hope to look all the way back to the origins of the universe—to the Big Bang—to prove their evolution theory and dethrone the Creator. They want to see everything—thus, the telescope symbolizes **the “all-seeing eye” of Satan.**

Many are now recognizing that Pope Francis is the false Christ (e.g. Lisa Haven of [Restricted Republic](#) in her March 17, 2022, video entitled “Coincidence? Pope & United Nations Make Eerie Unison Statement...The Real Motive Will Shock You!”). He wanted to take over the world in 2015 and spoke to the United Nations General Assembly to that end, but most people did not recognize what he was doing. Now he is being revealed for who he is.

Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God. Remember ye not, that, when I was yet with you, I told you these things? And now ye know what withholdeth that he might be revealed in his time. For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way. And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming: Even him, whose coming is after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. (2 Thessalonians 2:3-10)

Incidentally, there is more to the telescope’s timeline. It is still not ready for service. Now that the mirrors are aligned, calibrations have to be done on other instruments, and that won’t be finished **until June, as indicated by the iron rod of the Horologium clock.** This alignment milestone with the photo had to come early because Satan knows that he has but a short time, since time is now shortened.

Furthermore, it is significant to note that the James Webb Space Telescope is currently following a time plan that is significantly delayed. According to Wikipedia, it completed its design review in 2010 and its launch was subsequently planned **for 2015.** This was when the plagues should have begun, if the [church of Philadelphia](#) had not purchased more time. Instead, the launch took place at the end of 2021.

So, as we sing “Hosanna” to our Lord while the false Christ tries to ascend the throne of the world, do not be deceived. Heed the warnings of our Lord and understand what is happening behind the world’s propaganda. Recognize the players for who they are.

The aforementioned dream is a perfect confirmation of what we have to do to reach the rapture point marked by the heavenly cross, located in the other room where the “dead” fish awaits its resurrection.

The others will be left behind in the examination room to receive the plagues that are then poured out by Aquarius, the Antichrist.

May the coming days show that we have passed the final exam in the classroom of “Aquarius” and are ready to move to the next classroom in “Pisces,” where the rapture point awaits us, as symbolized by Mercury.

He who co-operates with the divine purpose in imparting to the youth a knowledge of God, and molding the character into harmony with His, does a high and noble work. As he awakens a desire to reach God’s ideal, he presents an education **that is as high as heaven and as broad as the universe; an education that cannot be completed in this life, but that will be continued in the life to come; an education that secures to the successful student his passport from the preparatory school of earth to the higher grade, the school above.** { [Ed 19.1](#) }

God be with you all.
