

## The New World Order

Written by Robert Dickinson  
For the church of Philadelphia on March 22, 2022

Dear brothers and sisters,

**O**n Sabbath, March 19, 2022, we came together for further study of the two themes presented in the last post: the coming of the false Christ and the meaning of the press release announcing the alignment of the James Webb Space Telescope (JWST).

The JWST was launched on a notable date: **December 25**. This is obviously the secular and incorrect [Christmas day](#), but it has a deeper meaning. This day is not only incorrect, but it is in actuality the [birthday of Nimrod](#), whom the Bible credits for being the first “mighty one” who organized and united the people in rebellion against God to build the tower of Babel:

*And Cush begat Nimrod: he began to be a mighty one in the earth. He was a mighty hunter before the LORD: wherefore it is said, Even as Nimrod the mighty hunter before the LORD. And the beginning of his kingdom was Babel, and Erech, and Accad, and Calneh, in the land of Shinar. Out of that land went forth Asshur, and builded Nineveh, and the city Rehoboth, and Calah, And Resen between Nineveh and Calah: the same is a great city. (Genesis 10:8-12)*

As we began to consider the telescope’s number (18 = 6 + 6 + 6 mirrors) in relation to the coming of the Antichrist and as the number of the beast in Revelation 13:18, we saw that it could be misunderstood as being the ultimate fulfillment of the verse itself, as if to nullify the revelation given by God of the COVID-19 vaccine as the number of the beast, as explained in many articles up to and including [The Number of the Seed of God](#).

Would we fail the “physics test” mentioned in the dream by accidentally discarding one of our most important teachings in favor of a cheap calculation of 666 from the parameters of a telescope? In fact, by understanding the context of the number of the beast, it would be clear to anyone that a telescope cannot be the number of the beast, because it is nonsensical that anyone can receive the number of a telescope or be restricted from buying and selling because of a telescope. Could we unwittingly give up sound doctrine to follow a whim?

And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.  
(Revelation 13:16-17)

The number one receives that prevents him or her from buying or selling is the genetic code that is received into the body with the COVID-19 vaccine, which, if a person hasn't received it, is well able to prevent a person from buying and selling. As the coronavirus crisis subsides—not because of any decrease in flu-like contagion but because of the availability of the vaccine—more and more jurisdictions (Germany, for a [notable example](#) ) are making vaccination part of the general requirements of living in society and are denouncing the unvaccinated. As soon as official digital money comes online—something that the war in Ukraine is propelling—the vaccine will also be required to buy and sell.

We had to think through these things and realize that the great final exam on the subject of physics was not in the deciphering of the meaning of the JWST, but rather it was the other way around: **the deciphering of the meaning of the JWST should lead to understanding what the great test was that every soul has now been confronted with.**

What exactly is or was the test? Why does the JWST have the number 666 and what does it really have to do with the beast? How close are we to being restricted from buying and selling without being vaccinated? These things are the subject of this post.

We are living in the time of Revelation 13, which tells us the sequence of the development of the mark of the beast. Protestants have long been able to identify the first and second beasts introduced in this chapter as the European world under the papacy (the dragon) and the United States supporting them, respectively. In recent years (especially 2015, when the JWST was first planned to launch), we have seen how the second beast made an image to the first beast by legalizing gay marriage as the counterfeit to God's image.

So God created man in his own image, in the image of God created he him; male and female created he them. (Genesis 1:27)

But Revelation 13 describes a three-tiered approach. After the image is set up, a consequence for not worshipping it was “caused”:

And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. (Revelation 13:15)

Satan does not care how he makes a person sin. If someone gives up all sense of morality to embrace or support LGBT practices, then they are dead in their sins and Satan has added them to his kingdom of death. Although many have fallen for this, there are still entire nations and even regions that stand against homosexuality to this day. To get those ones into his kingdom who didn't fall for LGBT, Satan (through the influence of the second beast) causes them to be “killed.”

Revelation is a prophetic book, and we are dealing with symbols. The prince of the kingdom of death does not kill by literally taking away life, but by causing people to sin. His goal is to destroy the kingdom of God by sweeping its potential citizens under the condemnation of sin and thus “killing” them for eternity, even while they continue to live as an army of so-called “useful idiots” to spread his deadly gospel of eternal bondage.

When you realize that this [death decree](#) has already claimed 64% of the world's population as of this writing and that nations are moving to make it a universal requirement, then you realize how close we have come to the end of the prophecy of Revelation 13, which ends with restrictions on buying and selling. We are literally on the cusp of universal totalitarianism.

Watch Restricted Republic's March 18, 2022 video entitled "1 Of The SINGLE MOST DEVASTATING EXECUTIVE ORDERS EVER SIGNED Is Now Official! Biden's End Game Move" to see how this is being implemented. In short: the financial grip is to be squeezed immediately. The banks are to wield their power to control anyone and everyone from global superpowers (Russia) to little Joe Trucker.

We have personally seen that overnight from one day to the next, individuals are now being cut off from the financial system, restricted from doing business (buying and selling) for no other reason than because of where they were born (e.g. Russia), irrespective of emigration status. Despite all its anti-discrimination rhetoric, the United States is doing the ultimate in discrimination, **tantamount to a DNA test to determine eligibility for access to financial networks.**

Such a hypothetical "DNA test" is meant as an allusion to the requirement to have been vaccinated against COVID-19, which is the next logical step in the diabolical motives of the powers of darkness. It will soon be hard to argue against the supermajority. If you are a religious person or for any reasons of conscience you refuse the vaccine, you will be labeled a terrorist and your money privileges will be taken away. Germany is already [going in that direction](#) in the Old World, and [Biden Just Took a Contract Out On Americans—A New Domestic Crackdown Coming Soon!](#) in the New World.

How long will it be ere we—the White Cloud Farm—cannot pay our bills? How long ere we cannot deliver the voice of God to our members? This is where we are in Bible prophecy. We have entered the penultimate verse of Chapter 13:

*And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. (Revelation 13:17)*

And therefore, it is high time for those who have understanding to calculate the number of the beast and to apply the wisdom that is referred to in connection with it:

*Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six. (Revelation 13:18)*

In the previous post, we recognized the number 666 in the golden imaging reflectors of the telescope. This alludes to another golden image well-known in the Bible, which had the same numbers:

*Nebuchadnezzar the king made an image of gold, whose height was threescore cubits, and the breadth thereof six cubits: he set it up in the plain of Dura, in the province of Babylon. (Daniel 3:1)*

This image of gold was a counterfeit of an image Nebuchadnezzar had seen in a dream, in which only the head was gold, while the rest of the image was composed of inferior materials. The golden head symbolized ancient Babylon, and the other materials symbolized the inferior world-dominating kingdoms that would succeed Babylon.

However, in rebellion against what God revealed to him, Nebuchadnezzar made an image composed entirely of gold through which he intended to unite his realm and ensure his kingdom would continue forever. He wanted all parts of the image to be gold, and this is what is portrayed by the 18 golden parts

of the JWST's main reflector: **18 mirrors = 18 parts = 1 head of gold + 2 arms of silver + 1 loins of bronze + 2 legs of iron + 2 feet of iron and clay + 10 toes.** It is the name of a man, the king of Babylon, both then and now, and his goals have not changed. This is the **biblical** calculation of the number of the beast that finally solves who Mystery Babylon is, and it identifies the point in time when Babylon announces to the world that it has taken its reign.

*And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. (Revelation 17:5)*

## The Image of Gold

We are counseled to [study the book of Daniel and Revelation together](#). We have seen how Revelation 13 has fulfilled up to the penultimate verse, but to understand the rest, we need to compare it with the story in Daniel 3. In the first verse (above) we saw that an image was set up. This represents the establishment of the New World Order. The second verse tells us more:

*Then Nebuchadnezzar the king sent to gather together the princes, the governors, and the captains, the judges, the treasurers, the counsellors, the sheriffs, and all the rulers of the provinces, to come to the dedication of the image which Nebuchadnezzar the king had set up. Then the princes, the governors, and captains, the judges, the treasurers, the counsellors, the sheriffs, and all the rulers of the provinces, were gathered together unto the dedication of the image that Nebuchadnezzar the king had set up; and they stood before the image that Nebuchadnezzar had set up. (Daniel 3:2-3)*

In antitype, this dedication happened on Wednesday, March 16, when Pope Francis held his General Audience with leaders from all over the world in attendance—while the photo of the star of the dragon was presented to the onlooking world—just like in the time of Nebuchadnezzar. What happened next?

*Then an herald cried aloud, To you it is commanded, O people, nations, and languages, That at what time ye hear the sound of the cornet, flute, harp, sackbut, psaltery, dulcimer, and all kinds of musick, ye fall down and worship the golden image that Nebuchadnezzar the king hath set up: (Daniel 3:4-5)*

With his timely barrage of executive orders, Joe Biden indeed began to herald the new order of things. Suddenly, [digital currency is in focus](#) and financial institutions around the world are obliged to act immediately upon the new regulations. Again, **we saw the crackdowns taking immediate effect in different parts of the world as early as Friday, March 18, 2022.** The message to the world is: “We are the music makers, And we are the dreamers of dreams...” ([link](#)) just as it was in Nebuchadnezzar’s day.

*And whoso falleth not down and worshippeth shall the same hour be cast into the midst of a burning fiery furnace. (Daniel 3:6)*

Are you seeing the parallel with Revelation? First there was an image (LGBT vs. the image of God), and those who did not betray God by worshiping that idol were “killed.” In this way, Nebuchadnezzar—and Pope Francis today—hope to coerce the entire world into unity. When they sing about LGBT rights, they want you to bow down and don’t discriminate. When they sing about coronavirus, they want you to shut up and put on your muzzles and get your shots. When they sing about world war, they want you to hand over your wallets and bank accounts.

And if you don't bow down, you are cut off financially. "He who controls the money, controls the world."

Therefore at that time, when all the people heard the sound of the cornet, flute, harp, sackbut, psaltery, and all kinds of musick, all the people, the nations, and the languages, fell down and worshipped the golden image that Nebuchadnezzar the king had set up. (Daniel 3:7)

But something happens that disrupts the unity that Nebuchadnezzar sought. Some came with accusations against the Jews who would not bow to the image on religious grounds, because their loyalty was to God.

Then Nebuchadnezzar in his rage and fury commanded to bring Shadrach, Meshach, and Abednego. Then they brought these men before the king. (Daniel 3:13)

There were three Hebrews, like there are **three parts** to resisting the mark of the beast: keeping the Sabbath of the Lord which is His mark (see Ezek. 20:20, e.g.), keeping the order of marriage in God's image (see Gen. 1:26-27), and keeping your DNA code within His bloodline (see Ezra 9:2, e.g.). Those who have overcome in these three areas will be the victors over the beast:

And I saw as it were a sea of glass mingled with fire: and them that had gotten the victory over the beast, and over his image, and over his mark, and over the number of his name, stand on the sea of glass, having the harps of God. (Revelation 15:2)

The original names of the three Hebrews are given in the Bible:

Now among these were of the children of Judah, Daniel, Hananiah, Mishael, and Azariah: Unto whom the prince of the eunuchs gave names: for he gave unto Daniel the name of Belteshazzar; and to Hananiah, of Shadrach; and to Mishael, of Meshach; and to Azariah, of Abednego. (Daniel 1:6-7)

Looking up the meaning of these Hebrew names, one learns the following:

- Shadrach's name (Hananiah) means "God is gracious."
- Meshach's name (Mishael) means "He is like God."
- Abednego's name (Azariah) means "The Lord is my help."

Do you see how these three names correspond to the victory over the three parts of the mark of the beast? Perhaps the most obvious is the name Mishael, meaning "like God," or in other words, in the image of God (in His likeness). This is a reference to overcoming the image of the beast by rejecting LGBT-tolerance ideology and upholding God's design for marriage.

The meaning of the third name (Azariah) is also easy to associate with the number of the beast, which is the COVID-19 vaccine: who do you call upon for help from coronavirus? Do you trust in man's vaccine, or do you call on the Lord to help you recover?

Saving the first for last, it is not hard to see how God has been gracious in giving us one day of rest in the week. He is not a totalitarian dictator but a Friend who wants to spend time with us and with whom we can build a meaningful and enduring relationship that extends not only from Sabbath to Sabbath, but into the millennium of rest and ultimately throughout all eternity.

And he said unto them, The sabbath was made for man, and not man for the sabbath:  
(Mark 2:27)

Like the members of the High Sabbath Adventist community, the friends of Daniel reacted as follows:

Shadrach, Meshach, and Abednego, answered and said to the king, O Nebuchadnezzar, we are not careful to answer thee in this matter. (Daniel 3:16)

If you are faithful in those three areas, you will certainly come under (financial) distress under the NWO, if you aren't already. You will be thrown into the fiery furnace, but you need not ponder on what course to take or ask for time to make a decision.

If it be so, our God whom we serve is able to deliver us from the burning fiery furnace, and he will deliver us out of thine hand, O king. But if not, be it known unto thee, O king, that we will not serve thy gods, nor worship the golden image which thou hast set up. (Daniel 3:17-18)

God is able to deliver His people. In our circumstance, this corresponds to the rapture of those who, as represented by the three Hebrews, overcame in all three areas of the great mark of the beast test. Those who are raptured are not hurt by the NWO under which everyone else will suffer.

## The Great Test

At this point in the story, it becomes clear again why this is great test of loyalty to God is a physics test:

Then was Nebuchadnezzar full of fury, and the form of his visage was changed against Shadrach, Meshach, and Abednego: therefore he spake, and commanded that they should heat the furnace one **seven times more** than it was wont to be heated. (Daniel 3:19)

Matters of heat and combustion are matters of physics. We made some relevant comments on the fiery furnace in the article [Reward Her Double](#) about the effects that such a high heat should cause.

But there is more in this "seven times" than what is obvious. As of this writing on Sunday, March 20, 2022, the sun is at the crossing point marked in the heavens. In the course of the heavenly sign of the cross deciphered in recent posts, we are seeing the events transpire that are signified by the oath of the Father, which in biblical language means "to seven oneself." The wrath of the King is determined—not only the wrath of God, but also the wrath of the king of death, in keeping with the dual meaning of Aquarius as both contenders engage each other in the last battle. Those who did not avail themselves of God's mercy to overcome the beast prior to this time will now have to face the consequences of living under the beast's tyranny. The heating of the furnace is Satan's sworn oath to destroy the people of God and rid the earth of them!

And he commanded the most mighty men that were in his army to bind Shadrach, Meshach, and Abednego, and to cast them into the burning fiery furnace. Then these men were bound in their coats, their hosen, and their hats, and their other garments, and were cast into the midst of the burning fiery furnace. (Daniel 3:20-21)

This is where the tables begin to turn, which is signified on this day by the feast of Purim:

Therefore because the king's commandment was urgent, and the furnace exceeding hot, the flame of the fire slew those men that took up Shadrach, Meshach, and Abednego. (Daniel 3:22)

The "most mighty men" of today are the likes of Joe Biden (with his executive orders commanding instant financial clamp downs), Janet Yellen (with her inordinate power over the money), the Federal Reserve in general, etc. These are the mighty entities that control the banks around the world and determine who is bound and who is free.

Only now at this verse have we reached a point in the story that has not yet fulfilled today, because those entities have not yet been slain by the extreme heat—whatever that is in the antitypical sense. But here we are, you can see how close we are to the deliverance as this week unfolds:

And these three men, Shadrach, Meshach, and Abednego, fell down bound into the midst of the burning fiery furnace. Then Nebuchadnezzar the king was astonished, and rose up in haste, and spake, and said unto his counsellors, Did not we cast three men bound into the midst of the fire? They answered and said unto the king, True, O king. (Daniel 3:23-24)

Something is already starting to go wrong, and Nebuchadnezzar sees it:

He answered and said, Lo, I see four men loose, walking in the midst of the fire, and they have no hurt; and the form of the fourth is like the Son of God. (Daniel 3:25)

At this point the enemies of God's people see Jesus. In our context, this is when the world trembles and recognizes that Jesus is delivering His people from being hurt by them. The rapture from the fire is then typified in the next verse:

Then Nebuchadnezzar came near to the mouth of the burning fiery furnace, and spake, and said, Shadrach, Meshach, and Abednego, ye servants of the most high God, **come forth, and come hither.** Then Shadrach, Meshach, and Abednego, came forth of the midst of the fire. (Daniel 3:26)

This is reflected in the rapture account of Revelation 11:

And they heard a great voice from heaven saying unto them, **Come up hither.** And they ascended up to heaven in a cloud; **and their enemies beheld them.** (Revelation 11:12)

The beholding on the part of the enemies is typified in Daniel as well:

And the princes, governors, and captains, and the king's counsellors, being gathered together, saw these men, upon whose bodies the fire had no power, nor was an hair of their head singed, neither were their coats changed, nor the smell of fire had passed on them. (Daniel 3:27)

Finally, Nebuchadnezzar gives glory to the God of heaven:

Then Nebuchadnezzar spake, and said, Blessed be the God of Shadrach, Meshach, and Abednego, who hath sent his angel, and delivered his servants that trusted in him, and have changed the king's word, and yielded their bodies, that they might not serve nor worship any god, except their own God. (Daniel 3:28)

This corresponds to the remnant giving glory to the God of heaven in Revelation. Note that this “giving glory” does not mean repentance; it is simply an acknowledgement of God’s supremacy in a time when the door of mercy has already closed.

*And the same hour was there a great earthquake, and the tenth part of the city fell, and in the earthquake were slain of men seven thousand: and the remnant were affrighted, and gave glory to the God of heaven. (Revelation 11:13)*

Is it not amazing how God has made the prophecies so clear, when we study Revelation together with Daniel? We are at a point in prophetic history when the people of God are about to be bound. The money is already subject to forfeiture at the whims of the state. But before the apple of God’s eye is harmed, He will come to their aid, as Jesus came to the three Hebrews in the fiery furnace.

Will it be through a solar event that Jesus intercedes, in keeping with the “fire” of a burning oven? Or might He already be acting in a different way: in the pouring out of the seventh vial?

## *Undiluted Wrath*

On March 19, 2022, the memorial “High Sabbath” in the shortened time and the eve of the spring equinox when the sun was at the heart of the celestial cross, another event of biblical proportions happened. Can you recognize it from the following biblical description?

*And the seventh angel poured out his vial into the air; and there came a great voice out of the temple of heaven, from the throne, saying, **It is done.** (Revelation 16:17)*

A new form of warfare began when Russia used a new hypersonic missile for the first time ever in tactical warfare, to target a weapons stockpile in western Ukraine. This missile was launched **from the air** by a fighter jet and was capable of traveling at speeds up to ten times faster than the speed of sound.

This type of missile is difficult to track because of its ability to change course, and there is no defense system capable of defeating it, making it an **invincible** weapon. It has been said that it was Russia’s message to the West that they have options to escalate the conflict.

As the verse says, this happened at a solemn time in the heavens, when “a great voice” (namely the sun) was at the center of the heavenly cross. Like it was said as Jesus died on the cross in AD 31, so it was said again:

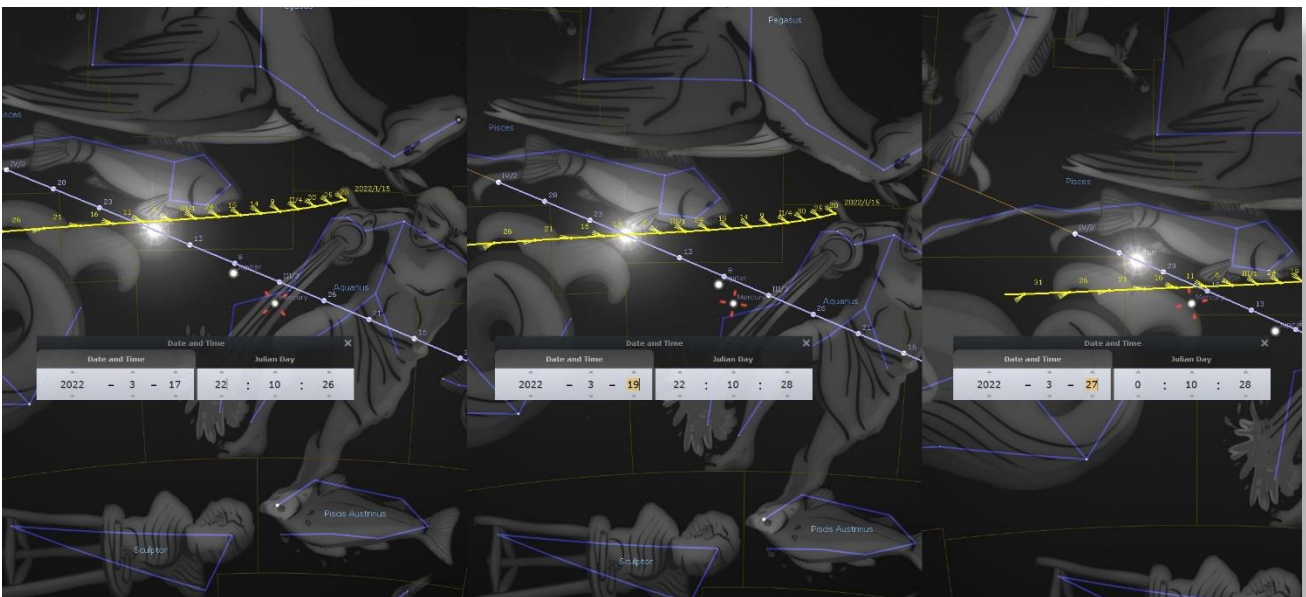

When Jesus therefore had received the vinegar, he said, **It is finished:** and he bowed his head, and gave up the ghost. The Jews therefore, because it was the preparation, that the bodies should not remain upon the cross on the sabbath day, (for that sabbath day was an high day,) besought Pilate that their legs might be broken, and that they might be taken away. (John 19:30-31)

Once more, those words of finality have been uttered in connection with a High Sabbath, in connection with a cross, and in connection with the end of an era. Both sides of the great controversy between Christ and Satan have sworn their oaths, both sides have assembled their troops, and both sides have committed to absolute war, winner takes all.

Revelation records a third declaration of “It is done”:

And he said unto me, **It is done.** I am Alpha and Omega, the beginning and the end. I will give unto him that is athirst of the fountain of the water of life freely. (Revelation 21:6)

The reference to the water of life in this promise refers to Aquarius, whose water column Mercury just passed through in petition of that healing water. And when Jesus—represented by the sun as the Bridegroom—promises this water with the words “It is done!” while at the point where the beams of the cross meet, it is a promise to us that when Mercury reaches that same point, He will give us of the water of life! It’s a definition of the rapture point.

At the same time, the water pitcher of Aquarius has its double meaning. Now the seventh plague has come, and with it the wrath of God is poured out upon the wicked, in the war described in Revelation 19, in which Jesus fights with His sword.

*And the remnant were slain with the sword of him that sat upon the horse, **which sword proceeded out of his mouth:** and all the fowls were filled with their flesh. (Revelation 19:21)*

The sword mentioned here is the two-edged sword of Jesus:

*And he had in his right hand seven stars: **and out of his mouth went a sharp twoedged sword:** and his countenance was as the sun shineth in his strength. (Revelation 1:16)*

The name of Russia's new hypersonic missile, Kinzhal, means "dagger", which is typically a two-edged knife used for close combat. Why a long-range weapon would be named a dagger is a bit strange, since throwing daggers isn't usually very effective **except as a distraction prior to a more lethal action.**

How does the war in Russia and Ukraine figure into the spiritual war between Christ and Satan? Where will the fabricated war on earth lead? How long will it take until a world, war-torn and weary, gives up its last individual rights, its last privacy, and its last money to embrace the false Christ who should deliver them into the millennium of peace on earth that all the false prophets have been promising them?

The third woe "cometh quickly," and we can see it from the fact that the frogs loudly croaked at Putin's hypersonic poke. Have you ever wondered why the three unclean spirits are described as being "like frogs"?

*And I saw three unclean spirits **like frogs** come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet. For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty. (Revelation 16:13-14)*

Frogs are amphibians, which thrive in swampy places—places where the water borders the land. Such a border is exactly where Putin aimed his hypersonic missile, and it was from such borders that three NATO "frogs" leaped onto Kiev to show support for Ukraine: [Polish, Czech and Slovenian leaders show support to Ukraine during Kyiv trip](#) .

Europe is the prophetic “sea” whose NATO “shore” lies on the western boundary of Ukraine, and from three EU and NATO member countries came leaders into the swamp of Ukraine to croak their message of support for the war, “to gather the world into the battle,” just as the Bible says. The geographical symbolism is unmistakable:

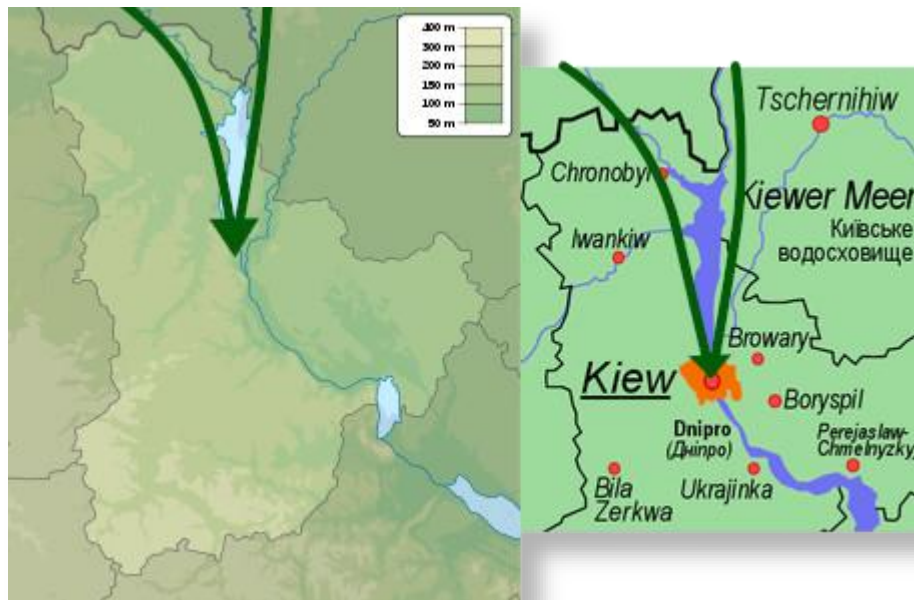

The [Pinsk Marshes](#) , also known as the Pripet Marshes, the Polesie Marshes, and the Rokitno Marshes, are a vast natural region of wetlands along the forested basin of the Pripyat River and its tributaries from Brest to the west, Mogilev in the northeast, **and Kyiv to the southeast. It is one of the largest wetland areas of Europe.**

The rivers along which this vast wetland lies point directly to Kiev, where the three leaders met:

The Pripyat or Prypiat is a river in Eastern Europe... It flows east through Ukraine, Belarus, and Ukraine again, draining into the Dnieper.

At the end of this river and swamp system is the destination of the three frogs:

These three leaders of NATO countries want NATO, the UN, and of course the US to support an “armed peace mission” for Ukraine. They are the three frog-like spirits that deceive on behalf of the three entities mentioned in the verse: the EU (the child of the papacy, [the dragon](#) ), [the UN](#) (the conglomerate world beast of Revelation 17), and [the US](#) (the false prophet).

Other aspects of the sixth plague are have fulfilled too. We saw how the river flowing from Aquarius’ water pot was dried out for the people of God, represented by Mercury, to figuratively cross over to the other side. This corresponds to the river Euphrates, which is mentioned in the sixth plague:

*And the sixth angel poured out his vial upon the great river Euphrates; and the water thereof was dried up, that the way of the kings of the east might be prepared. (Revelation 16:12)*

The aforementioned leaders of the nations huddled at Ukraine’s border made their call just a day before the Mercury crossing, and the Euphrates is was dry when Mercury entered the stream. Now, there is nothing left to hinder all the kings of the east (Russia, China, Iran, and North Korea) from crossing over for the last battle.

As the last sign before the sign of His coming, Jesus said:

*Immediately after the tribulation of those days shall the sun be darkened, and the moon shall not give her light, and the stars shall fall from heaven, and the powers of the heavens shall be shaken: And then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory. (Matthew 24:29-30)*

How close are we to the end? Darkness has indeed covered all over Europe, tainting even the rain: [Rare ‘blood rain’ weather could hit Ireland on St Patrick’s Day as huge Saharan dust storm spreads](#) .

Are you prepared to see more horrific things in this rumored war?

We don't want to minimize in any way the suffering of people in this war, but that does not change the fact that the instigators who are behind the war are causing this suffering intentionally. It is the "thesis" and the "antithesis" out of which Pope Francis now presents his "synthesis" of the Hegelian dialectic: the New World Order.

The child of God need not fear. As the Lord struck the Tower of Babel with lightning in ancient times, so He will do to the modern Babylon, whose fall can no longer be averted.

## *The Fall of Babylon*

In the previous article, we saw the all-seeing eye in the design of the JWST. Another symbol for the all-seeing eye is the triangle, which represents the pyramidion at the top of the figurative Tower of Babel. The JWST orbits a point in space called [Lagrange 2 \(animation\)](#), directly opposite the sun, at a distance of about a million miles from Earth. That is the highest of any orbiting satellite that is bound by Earth's gravity—several times farther than the moon. In this way, it is a symbol for the pinnacle of the Tower of Babel: the highest man-made structure supported by the earth.

Considering its launch date on Nimrod's birthday, it is clear that the builders of the telescope want to send a message about the modern equivalent of the Tower of Babel, and their choice of Draco's heart as the "Christmas star" to replace the true Christ makes it an unmistakable sign of the Antichrist. The star at the top of the planetary Christmas tree represents none other than Satan himself. His sights are set on ruling to the farthest "deep fields" of the universe, as far as his eye can see.

On March 15, the Vatican announced: [Pope Francis to consecrate Ukraine and Russia to Immaculate Heart of Mary](#) . Mary, the so-called “Queen of Heaven” is none other than Ishtar (or variously Astarte or Ashtoreth), **whose star has eight points like the “Christmas star” of the JWST** (as well as the base of the Statue of Liberty in the United States, for another example). The star at the top of the JWST Christmas tree thus represents Satan **in the form of Mary**. Nimrod is the sun god, Ishtar is the moon goddess, and their baby (the baby in “Mary’s” arms) is Tammuz, according to Babylonian tradition—Satan’s counterfeit trinity.

The mother figure holds a powerful influence in modern culture of emasculated men, and all the warmongering of nations is to stoke the emotions until the people submit to the soothing and consoling “Mother Mary” for the sake of peace on earth.

*For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape. (1 Thessalonians 5:3)*

That woman who is in travail right now is “Mother Mary” who is purportedly trying to give birth to a new “Prince of Peace” on earth. But the world will not escape the wrath of God. The sudden destruction is prophesied; one does not need to guess about it. Pope Francis can’t save the world, neither directly nor through Mary (who is still resting in the grave since her death two millennia ago, awaiting the resurrection like everybody else).

The seed of the idea of consecrating Russia to “Mary” was planted in 1037 by Prince Yaroslav the Wise, who dedicated Kievan Rus to her (which included a small part of modern Russia). However, it was the [visions of Fátima](#) that brought the idea to the forefront again in modern times. As Wikipedia summarizes it:

Sister Lúcia dos Santos, one of the three visionaries publicly stated that at different times the Blessed Virgin Mary had given her a message of promise, **that the consecration of Russia (as a country) would usher in a period of world peace.**

Since then, Russia has been consecrated [three more times](#) :

This consecration was renewed several times: in 1995, 2014 for the Ukrainian Greek Catholic Church and again on **October 23, 2016** in Fatima.

Some of those dates are significant, especially in light of the fact that the Orion judgment cycle came full circle in 2014 and the LastCountdown.org ministry found through Bible study that Jesus should have come exactly on October 23, 2016, had the church of Philadelphia not interceded for more time. Whether the consecration to Mary was done on that date by accident or wittingly is a small sensation either way.

But what does the Lord say about this fourth consecration that will take place on March 25, 2022, at both St. Peter’s Square in Rome and in Fátima, Portugal at the same time?

*He spake also this parable; A certain man had a fig tree planted in his vineyard [year 1037]; and he came and sought fruit thereon, and found none. Then said he unto the dresser of his vineyard, Behold, these three years [1995, 2014, 2016] I come seeking fruit on this fig tree, and find none: cut it down; why cumbereth it the ground? And he answering said unto him, Lord, let it alone this year also, till I shall dig about it, and*

And if it bear fruit, well: and if not [March 25, 2022], then after that thou shalt cut it down. (Luke 13:6-9)

This is the judgment that without good fruit, the corrupt church of Babylon (and all her branches) represented by the Christmas tree of Nimrod **will be cut down forever**.

It is worth reviewing the story of Nimrod's Tower of Babel in light of the situation of the world today. Pay special attention to the theme of unity throughout this story:

And the whole earth was of one language, and of one speech. And it came to pass, as they journeyed from the east, that they found a plain in the land of Shinar; and they dwelt there. And they said one to another, Go to, let us make brick, and burn them throughly. And they had brick for stone, and slime had they for mortar. And they said, Go to, let us build us a city and a tower, whose top may reach unto heaven; and let us make us a name, lest we be scattered abroad upon the face of the whole earth. And the LORD came down to see the city and the tower, which the children of men builded. And the LORD said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do. Go to, let us go down, and there confound their language, that they may not understand one another's speech. So the LORD scattered them abroad from thence upon the face of all the earth: and they left off to build the city. Therefore is the name of it called Babel; because the LORD did there confound the language of all the earth: and from thence did the LORD scatter them abroad upon the face of all the earth. (Genesis 11:1-9)

Notice that unity is the enemy's tool in this story, whereas God uses confusion to thwart their united efforts. It seems counterintuitive, and yet this is exactly how the battle is playing out. God's purpose was to cause the people to disperse. He wanted to **decentralize** humanity, because it was in the coming together that they were able to do whatever they imagined to do.

News of a new [apostolic constitution](#) broke on March 19, 2022, as the pope's efforts to reform the Curia have reached fruition **after nine years of efforts**. From the beginning of his pontificate, Pope Francis made this reform a defining characteristic of his pontificate, ostensibly to cure the Curia and the Vatican bank of its cronyism and financial corruption, widely publicized with the Vati-Leaks scandal. In this way, the pope makes himself look like the perfect leader of peace who is qualified to tackle even the Russian oligarchy and all others who misuse money and power around the world.

The premise of his reforms was to gut the centralized money and power structures in the Vatican that enabled the corruption, and this has been his theme all through the Synods of his pontificate: decentralize the church by involving the bishops and letting the entire church give expression to its opinions on the issues the church faces—but in the end, he always held the final say. Catholics themselves [recognize](#) that the pope's way of decentralizing the power structures of the church was actually to concentrate the power into himself by making most of his decisions *motu proprio* (on his own impulse).

In practice, the Pope has imposed decentralization **by centralizing decisions upon himself**, without involving the Roman Curia — not even making use of the advice of local bishops, who are the chief recipients of the measures.

In other words, he did the opposite of what he said. Decentralization by centralizing is no decentralization at all.

And he did the opposite in the realm of finances too. While the pope is purporting to “make the church poor,” he is actually concentrating the power of money in the hands of the states, as evidenced by Joe Biden’s executive orders and the course that the Western banking powers have taken recently against Russia (and Russian-born citizens of other nations) as well as against the peaceful protests of the truckers in Canada (on Biden’s advice to Trudeau). In other words, as long as the nations accept the pope as their leader, he leaves the purse strings in their hands. He calls the shots, and his loyal Catholic executive leader, Joe Biden, makes it happen. The pope is working in cooperation with the nations by being their “god” while they do the dirty work of carrying out his “blessings” and “curses” upon those whom he wishes.

*And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast. These have one mind, and shall give their power and strength unto the beast. These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful. (Revelation 17:12-14)*

At the cross, Satan believed he had won the victory in killing the Son of God. Afterward, however, as the divine plan unfolded and Jesus rose from the dead and it became clear that Jesus had won the victory over death, he realized that his war was not over. The same is happening again now: Pope Francis and his world leaders think they have gained their objective at this time, as the new cross has formed in the heavens, but they do not realize that the victory does not belong to them.

Comparing the theme of decentralization (especially of money) with the story of the Tower of Babel, it begins to make sense why **God confused the languages in order to disperse the people**. Indeed, decentralization of the power over money is the key to “defunding” wars and other oppressive misuses of the people’s financial resources. That is why **Bitcoin is the means** of defeating the modern-day Tower of Babel. It allows the money to stay in the decentralized control of those who earn it, rather than the control of those at the top.

Could this be how the peoples of the nations will ultimately turn against the whore who controls the beast, once they realize that they were deceived? Everyone would “burn” their CBDCs of bondage in exchange for bitcoin of liberty until there were no commerce, no life left in Babylon.

*And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire. (Revelation 17:16)*

But now it is too late to save the world. There are no victors in this scenario any more than in a nuclear conflagration because liberty without God is still bondage, and the door of mercy has already closed for the world as of the last High Sabbath of March 19, 2022.

May the children of God in the ark be protected till their rapture and thereafter as they depart for their journey on the vast open seas until they reach the heavenly shore. On March 25, when the pope celebrates the inauguration of his earthly millennium of “peace” by coercion, Mercury steps from Aquarius into Pisces, signaling the new era of freedom in Christ for those who passed the final three-fold test during the last stretch of its movement to the rapture point.
